Which best describes your reason for participating in *A Community Table* conversation?
Select all that apply.

I am concerned about an issue or challenge in my community

I want to be part of creating positive change in my community

I want to work with others to improve daily living in my community

I have an idea for improving my community

Other (please specify):

The other participants at my conversation were:

Mostly people I did not know before the conversation

Mostly people I knew before the conversation

An equal mix of both

What are the three most important issues facing your community today?

Issue 1:

Issue 2:

Issue 3:

Which of the ideas discussed today had the most potential to improve daily living in your community?

What partners (such as businesses, agencies, government offices, people) should be involved in turning ideas from today into action?

How can your community and DU work together in addressing these issues?

Please provide an example of an action you are most likely to take that was inspired by the table conversation.
