Conversation Prompts

1. Share a 1-2 minute story of how this issue has shown up (or not) in your life.
2. What are some challenges that prevent you and others from being more actively engaged in local, civic life around this issue?
3. What connections, opportunities and resources do we have to draw or build on to collectively address this issue?
4. Thinking about both the challenges and opportunities/strengths we've discussed, what specific actions could the community take together to address this issue?
5. What are some steps you personally can commit to in addressing the issue? How can DU be a partner in or otherwise contribute to this work?

Thanks for participating in A Community Table! Please fill out the participant survey at bit.ly/ParticipantSurvey2020 to share your thoughts and ideas!
